effortless

Our goal is to make your life easier when it comes to trade show exhibits. From placing your Showbooth™ order...to prompt delivery...to shipping and using your display...to having peace of mind with the lifetime warranty. You can count on Quality One Engineering every step of the way.

Ease of Set Up

1. Effortlessly pop up the lightweight aircraft aluminum frame of **Showbooth**.
2. Unfold and add the channel bars.
3. Hang the self-aligning panels. Easy!

It's easy to transport the 10-ft. Showbooth display in two wheeled cases.

enduring

Engineered Quality

We're unique because all of our manufacturing equipment has been engineered by us to meet the highest quality standards and to achieve optimum levels of automated productivity. As a result, we can sell the top-quality Showbooth for less.

Top-of-the-Line

Aircraft aluminum framework and lightweight ABS folding channel bars are so durable that they have a **lifetime warranty**. For the self-aligning panels, Frontrunner fabric is bonded to virtually indestructible 20-mil vinyl. Every piece, every part, has been engineered and made in the U.S.A. to be sturdy, long lasting and maintenance-free.

A 10-ft. Showbooth with a two-panel mural is an effective way to present your image.

Left: Sturdy, easy-to-use connectors give Showbooth's tubular framework even greater stability. Right: Magnet-to-magnet attachment of self-aligning panels means your display looks its best show after show.

economical

You will not find a better value in pop-up displays anywhere. With Showbooth, you don't have to choose between price and quality—now you get both! Save money every time you use your display with low shipping costs (UPS or FedEx), and there is no need for show labor for set-up.

Experience Counts

Showbooth displays are backed by an exceptional combination of engineering know-how and 20 years of extraordinary customer service.

The 6-ft. Quad is a cost-effective table top display that has high impact.

*Save money and time!
Convert your cases to a podium.*

“Every company’s greatest assets are its customers, because without customers there is no company.”

—Michael LeBoeut, Author and Speaker

effective

A few of the more effective standard Showbooth kits are shown below. Lobby displays, towers, peninsula and island designs are also available. Your Showbooth representative will work with you to select or create a configuration to meet your specific requirements.

KTVW UNIVISION 33, Phoenix, needed a dependable display that would be used throughout the year at Hispanic community events with more than a million attendees.

10' Deluxe Kit :: SB10PU2

10' Flat Wall :: SB10FWU2

20' Wing Kit :: SB20WU4

6' Quad :: SB62TT

8' Table Top :: SB8TT

3 Panel Folding
Table Top :: SBFTT29

4 Panel Folding
Table Top :: SBFTT434

Choose from a wide variety of fabric colors, and add lights, lightboxes, internal or external shelves to any of the kits to make them even more efficient.
